## **ABOUT BD THAI FOOD & BEVERAGE LIMITED :**

With the start of the new millennium, the world is changing all around us. Focusing on Bangladesh, within the last 10 years the scope for food and beverage industries have increased substantially. To take advantage of this opportunity and to continue to thrive as one of the renowned Group of companies in Bangladesh, BD Thai Food & Beverage Limited (BTFBL) was incorporated in 2010 as a concern of BD Thai Group.

Honorable Chairperson and Directors of the Board of BTFBL are highly educated and have long experience in handling different business successfully and thereby they have contributed in a big way to the GDP of the nation. They are also engaged in different social welfare activities as a part of corporate social responsibility. Sunlife Insurance Company Limited and Bangladesh Thai Aluminium Limited are also the sponsors of BD Thai Food & Beverage Limited.

BTFBL is committed in creating nature based, scientifically designed nourishment products for all age and income groups. Quality and innovation is BTFBL's greatest strength which is supported by a highly qualified team of professionals. We source only the best quality food ingredients supplied by the renowned companies accredited with ISO 22000. Our Quality Control (QC) department is trained in a manner that they never compromise with quality issues for, raw materials, production process and finished products. Hygiene issues are also dealt with utmost importance. Our efficient R & D department members are continuously working in our own sophisticated lab to develop new items and are constantly adding new products to our diversified product mix for our customers to meet their demand with quality expectations. Currently our product mix includes – different kinds of fruit juices, carbonated beverages, hard candies, soft candies, Lollipops, Gums, etc. BTFBL products mostly are marketed under "Nectar" brand name. BTFBL is using latest hi-tech machineries imported from U.K., Germany, China, Korea, etc. countries. BTFBL has ISO 22000 certification for food safety and quality management. It is also a Halal and HACCP compliant company.

BTFBL has a strong distribution network nationwide and in the global market. The products are marketed through distributors and retailers. Company has its depots in different strategic locations. BTFBL products are available in grocery, convenience stores and other outlets.
